At Boston Baking we blend four generations of baking expertise with modern techniques to provide a tailored experience that fosters growth and builds trusted partnerships.

Guided by a people-first philosophy, we prioritize integrity, respect, and collaboration in everything we do. As a solution-driven commercial bakery, we offer a comprehensive suite of services—including food service solutions, retail and private label programs, and production partnering—to meet the diverse needs of our clients. We currently operate out of a 38,600 sq. ft. facility in Boston, Massachusetts with sufficient capabilities to support future growth and expansion.

Whether you're a retailer seeking individually wrapped treats, a manufacturer in need of specific components, or a brand looking for a reliable co-manufacturing partner, Boston Baking is committed to delivering exceptional products and services that support your success.

Serving Partners Nation-wide

INTRODUCING OUR NEW FROSTING — NATURAL AND CLEAN LABEL READY!

Featuring vibrant natural food colors and no artificial dyes, this frosting is designed to meet *emerging regulatory standards* and the growing demand for clean label ingredients. It's the perfect choice for brands committed to transparency, quality, and future-ready innovation.

Crafting Success Through People, Expertise, and Innovation

RETAIL/IN-STORE BAKERY

Streamline your operations with our versatile lineup of finished and customizable bakery products. From individually wrapped, grab-and-go items to premium cake components ready to be finished in-store, we offer flexible solutions that reduce labor, minimize waste, and deliver consistent quality your customers can count on—every time.

PREPARED FOODS MANUFACTURING

Trusted by leading manufacturers, our pie shell components are the foundation for high-quality quiche, pot pies, and other prepared foods. Available in a wide range of sizes and formats, our products are designed for efficiency, consistency, and easy integration into your production process.

Products: Pie Shells: 5"-10", tops and bottoms, crimped and straight

PRODUCTION PARTNER

Let us bring your recipes to life. As your trusted production partner, we manufacture your proprietary products to your exact specifications—so you can focus on marketing, sales, and growth. With our experienced team, flexible capabilities, and commitment to quality, we help you scale efficiently without compromising what makes your brand unique.

WITH CERTIFICATIONS INCLUDING SQF, RSPO, AND KOSHER, our team is committed to delivering safe, high-quality products that reflect your brand's standards and vision.

Retail

Retail-ready thaw-and-serve products, individually wrapped to lock in freshness and flavor, are crafted for convenience and versatility; no prep required. Perfect for bakery cases, grab-and-go displays, and impulse sections, they deliver consistent quality, delicious taste, and visual appeal with minimal labor.

A close-up photograph of a person's hands, wearing blue nitrile gloves, assembling cookies. The person is placing a yellow cookie on top of a pink-frosted cookie. In the background, a baking tray is filled with several cookies, each topped with a dollop of pink frosting. The scene is set in a professional kitchen environment.
